

Proximo™ Key Fob Bluetooth® Tracker

K97150EU

Product Description

Safeguard your phone, save money and regain your peace of mind with the new way to ensure your phone, and everything on it, stays with you. Available for both iPhone and Galaxy S, Proximo makes every day easier by ensuring you never lose your phone in the first place. The Proximo Fob works with the free App on your phone, alerting you as soon as your phone or keys get too far away from each other.

Features

- Alarm acts as a 24/7 guardian, alerting you when Fob passes a preset distance limit
- App monitors the 6 month battery life on Key Fob
- Smartphone Finder Button lets you trigger the alarm on your phone, even if it's on vibrate
- LED Visual Alert helps you find your keys in the dark
- Proximity Meter gives you a distance estimate to your missing item
- Find It with a simple touch on the App screen to sound the alarm and locate your missing item
- Last Seen shows you a map with a pin that identifies the last place your keys were located
- Quiet Zones lets you set "Don't Disturb Me" areas
- Compatible with iPhone 5s/5c/5/4s, Galaxy S phones and Galaxy Note 3
- Phone screen locks the moment you trigger the alarm (Android only)
