### Product Description

Schools, libraries and multi-user environments need the highest level in iMac security. The Kensington SafeStand Locking Station and a custom keyed lock (purchased separately) delivers with our ultimate iMac security solution. Bolt the SafeStand directly to a desk or table and then secure it to the iMac with the ingenious Kensington SafeDome™. Not only does SafeStand complement the iMac aesthetics, it preserves all screen adjustments and swivel functions.

### Features

- Our highest level of physical security for iMac
- Nearly impenetrable ClickSafe® lock head (purchased separately, K67770) completes your custom lock solution
- Bolts directly to desk or table for a permanent solution
- Easy to setup
- Manages cables while also securing a wired keyboard and mouse
- Won't interfere with screen adjustments or swivel
- Sleek design complements aesthetics of the iMac
- Models available for 21" iMac (K67766WW)
- Compatible with 2010 & 2011 iMac models
